**Know Limits.**

*Limit your list. With fun company and a steady flow of good wine and eats, small and cozy can still make for a rollicking good time, as long as everyone is comfortable.*

**Eat Up.**

*Keep the meal simple or at least simple looking. Remember that you set the tone for the evening.*

**Sweet Endings.**

*As the evening winds down, offer coffee and tea with dessert. Sweet liqueurs like Bailey's and Kahlua.*

**Simply Perfect.** If you are planning to host, a dinner party make sure to do it with a lot of style and a touch of class. After all, it is for your family and they deserve the BEST!
